COURT DIVIDES COSTS IN HUBER EQUITY ACTION

The Adams County court Saturday amended its original decree in the injunction brought against the Huber estate, to prevent its placing a service station at the northeast corner of Lincoln Ave. and Carlisle St., to provide that half the costs in the case must be paid by the 92 persons who brought the equity complaint against the estate.

The original opinion of court held that the costs in the case should be paid by the defendants, Charles H. Huber Jr. and Elizabeth Huber Welch, individually and as executors of the will and as trustees under the will of Charles H. Huber Sr., deceased.

An appeal was made from the payment of costs and the court held a hearing on the matter at which the attorneys for the Hubers and the 92 other residents and owners of the north end of the town presented arguments as to who should pay the costs.

"Defendants Are Harmed" In its opinion handed down Saturday the court held: "The general rule in equity is in all litigation that the costs shall follow the decree or judgment and shall be paid by the losing party. However there are some cases, particularly in equity, where this rule might produce unjust results and it was for this reason that (state law) reposed in the court authority to vary the general rule when necessary."

The court then held that "the defendants are harmed by such joinder (of 92 plaintiffs in the case) and this phase of the question was not considered in our adjudication."

More Than Half Unnecessary Details are then given of the manner in which fees are affixed, including 50 cents a name for each name over three to be indexed in a particular case. The probatory is also allowed 50 cents for recording each 100 words of the complaint and "nearly four pages of the complaint were required to name the plaintiffs and to list their addresses and whether they were owners, tenants or occupants. "OPEN HOUSE" IS HELD SUNDAY AT LOCAL YWCA

Cornucopias filled with red apples and grapes, autumn leaves and heads of wheat were used as decorations at the annual YWCA open house Sunday afternoon from 3 until 5 o'clock during which a program of music was presented. Mrs. P. J. McGlynn, Biglerville, arranged the centerpieces. Floral bouquets arranged throughout the Y rooms were donated by Mrs. Zita Bollinger, Steinwehr Ave.

Miss Nancy Milhimes, Hammond Geyer, Miss Shirley Patterson and Miss Bonnie Scott, Gettysburg High School students, played "Minuet in G" and "Parade of the Wooden Soldiers."

Later in the afternoon Miss Virginia Stophor and Miss Anna Grimm sang several duets accompanied by Mrs. Jacob W. Heikinen at the piano. Their numbers were "Sound the Trumpet" by Henry Purcell, "To the Evening Star" by Robert Schumann and "The Dances of Larmont" by Cesar Franck.

They were joined by Mrs. Phillip E. McGuire for four trios, "Come You Maidens," by Tchaikovsky; "Beautiful Dreamer," by Stephen Foster; "Hurray," by Brahms, and "Beautiful Yet Truthful," a folk song by Lloyd Pfautsch.

Pouring at the tea table were: Mrs. John S. Rice, Mrs. Robert Fortenbaugh, Mrs. H. Milton Wagner, Mrs. M. Hadwin Fischer, Miss Rebecca Sachs, Mrs. Harry Baker. They were assisted by four members of the Silver Links Y-Teen Club: Betty Ann Pennington, Susan Korte, Carolyn Ketterman and Nancy Wolf. Mrs. Albert Bachman, program chairman, was in charge of arrangements. She was assisted by Mrs. Wayne Keet.

Admiral Doenitz, Hitler's Heir, Leaves Spandau Prison

BERLIN (AP)—Former Grand Admiral Karl Doenitz came out of Spandau Prison today and dodged all questions as to whether he would seek a new political role in a resurgent Germany.

Doenitz, who took over from Hitler briefly as the last Fuehrer of dying Nazi Germany, told a news conference:

Pastor-Elect

8 UNITS HERE FOR FALL AAUW CONFERENCE

One hundred fifteen women from eight branches of the American Association of University Women took part Saturday in a South Central District AAUW Fall Neighborhood conference at Gettysburg College.

Mrs. Franklin R. Bigham, president of the Gettysburg branch, presided at the opening session in the SCA building Saturday morning. General Willard S. Paul, president of Gettysburg College, extending the greetings of the college to the group, told the group "The AAUW was organized to bring the activities of the day to the women of today. We must have courage to break with the past and face the future. But first we must get the facts before we can act."

Mrs. John C. Tongren, president of the Pennsylvania Division of the AAUW, told of plans of the national organization to establish a membership committee to set new standards for membership to secure "members who can give more to the organization. We need more professions represented in the AAUW."

Sees New "Three R's" Dr. Marjorie Morrison, Annville, chief psychiatrist at the Lebanon Veterans Hospital, moderator for a panel discussion on "Facing Our Community Problems," told the group "By the year 3000 A.D. the three 'R's' of education, 'Reading, 'riting and 'rithmetic, will be replaced by the three 'C's 'Comprehension, creation and communication'."

Miss Mary M. Bergen, Lancaster, guidance counselor at the Reynolds Junior High School at Lancaster, said 64 per cent of the students in schools "drop out of academic studies between the 8th and 12th year of their education. We have developed a two-track curriculum, academic and vocational."

General Superintendent Oren H. Wilson presided. Secretary R. S. Hackman presented attendance awards and the promotion certificates were given by the department heads.

CRASH UNHAPPY ENDING TO NEW CAR, BIRTHDAY

State police had a sad story to tell after investigating an auto accident near Idaville on the Carlisle Rd. at 1:15 o'clock Sunday morning.

This is the information as the officers recorded it: Saturday was the birthday of Patricia Sheats, Biglerville.

It also marked the day her boy friend, Billy M. May, 21, York Springs, gave her a diamond ring.

And it marked her purchase of a new car from Kunh's garage at Hanover.

The young couple traveled a total of 162 miles in Miss Sheats' new auto, celebrating the birthday, the purchase of the car and the diamond ring.

But He Fell Asleep The time came when the young lady had to return to her home, and Miss Sheats told Mr. May to take the car in order to get to his home.

But police reported, Mr. May fell asleep enroute.

The brand new car ran off the road, broke off a telephone pole, and ripped up some fence owned by Rodney Smyers, Gardners. Damage was estimated at \$2,000 to the car, which was demolished, \$100 to the telephone pole, which fared no better, and \$25 to the fence, which also was demolished where hit.

Mr. May was uninjured. Police concluded their report there.

COUNTIANS WED IN LITTLESTOWN

Miss Thelma Irene Thoman, daughter of Mr. and Mrs. Rudolph N. Thoman, "Sunset Hill Farm," Littlestown R. 1, and Melvin Luther DeGroot, son of Mr. and Mrs. Harry DeGroot, Littlestown, R. 1, were united in marriage on Saturday morning at 10 o'clock in Redeemer's Evangelical and Reformed Church, Littlestown.

The pastor, the Rev. Porter W. Seiwel, who is also pastor of the bride, performed the single ring ceremony. The bride was attended by her sister, Mrs. Merle D. Shank, Gardners, R. 1, as matron of honor. The groom chose for his best man his brother, Robert DeGroot, Littlestown R. 1. The traditional wedding music was played by the church organist, Mrs. George A. Stonessifer.

The bride was attired in a beige coat suit with matching accessories and wore a corsage of yellow roses. Mrs. Shank wore a navy blue suit with black and white accessories, and a red rosebud corsage.

The newlyweds left on a two-week honeymoon of unannounced destination. For going away, the bride wore a green tweed suit with matching accessories. Upon their return, they will reside at "Sunset Hill Farm."

Mrs. DeGroot is a graduate of the East Berlin High School. Mr. DeGroot graduated from Littlestown High School and attended Thompson's Business College, York. He is employed by the Hanover Wire Cloth Company.

The Gettysburg YWCA

This is the first of a series of articles on the community organizations which are dependent upon the Community Chest for funds to operate.

The YWCA is the largest organization of women and girls in the world, with a stated Christian purpose. It is:

"To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians."

The program of the Gettysburg YWCA is based on this purpose, which consists of six Y-Teen clubs, Seventh through Twelfth grade, that meet once a week. Their program is based on the needs of

How many civic-minded executives are there in Gettysburg? How many civic-minded clerks and other workers are there in our historic community? Just how much time do we give to the promotion and civic betterment of Gettysburg?

There is much that can be done to improve our lot in every respect. However, the biggest drawback is that there are too few doing the job.

Time magazine, in its current issue, treats this subject in a dignified manner. Under a heading "Time and talent mean more than money" Time reports as follows:

"The day of the great private fortunes is gone. People no longer can give only money to community projects — they must give themselves." So says Thomas H. Coulter, head of Chicago's Association of Commerce and Industry. With this, most U.S. businessmen are in (Continued On Page 8)

MISS SPERTZEL AND R. G. WEIGLE WED ON SUNDAY

Miss Jean Arlene Spertzel, daughter of Mr. and Mrs. George Spertzel, Gardners R. 2, became the bride of Ronald Grayson Weigle, son of Mr. and Mrs. Grayson A. Weigle, York Springs R. 1, Sunday afternoon at 2:30 o'clock in the York Springs Methodist Church. The Rev. Amos D. Meyers, pastor, officiated before an altar decorated with fall flowers.

Given in marriage by her father the bride wore a white gown fashioned with a lace bodice designed with a sweetheart neckline and long tapering sleeves. The full nylon skirt was designed with panels of lace and was worn over a satin underskirt. Her fingertip veil of silk illusion was attached to a crown of pearls and net. She carried a Bible topped with an orchid.

Mrs. Edwin Trimmer, New Oxford, R. 1, was the matron of honor. She wore a shrimp-colored nylon net gown over satin with a matching headpiece fashioned with a veil. She carried a colonial bouquet of mixed flowers.

On Wedding Trip Mrs. Lloyd Spertzel, Gettysburg R. 4, sister-in-law of the bride, and Miss Judy Weigle, York Springs R. 1, sister of the bridegroom, were the bridal attendants. (Continued On Page 3)

Plans for the annual United Nations anniversary observance here will be outlined this evening at a meeting at 8 o'clock at the YWCA. The program this year, marking the 11th anniversary of the United Nations, is under sponsorship of the local Rotary club. Each year a local service club provides the general sponsorship for the event to be held the week of October 21.

SEPTEMBER'S WEATHER WAS COOL AND WET

September went into local weather annals Sunday as the first September since 1952 with a surplus of rain and the coolest September here since 1950.

Gettysburg Times weather station reports show the month was considerably cooler than normal and recorded the first freezing temperatures for that month in Gettysburg since 1947. The first killing frost hit this area on September 21 with a low of 32 degrees.

Rainfall last month totaled exactly four inches which is a surplus of 0.34 inches. That total brings the nine-month accumulation of rainfall in Gettysburg to 35.47 inches which is 4.13 inches above normal for the nine-month period.

12 Days Of Rain

There were 12 days of measurable rainfall last month. A number of the rains accompanied thunderstorms and fogs were frequent. Hail was reported in nearby sections on September 23.

Temperatures got into the 90's the first two days of the month but high readings were most notable by their absence. The average daily maximum was a shade under 74 degrees and the average daily low was just under 53 degrees so that the average daily temperature for the month came to 63.46 degrees. Normal for September is 66 degrees.

The daily shortage of 2.54 degrees made last month the coolest in seven years. An all-time record for that date was set by the 32-degree temperature on the morning of September 21.

Last month was only the second September in the last decade with a surplus of rain. It followed an August that was near normal but a quarter inch short on rain. MORE MORE

100 FIREMEN TAKE PART IN TEST ON SUNDAY

Approximately 100 firemen from seven fire companies took part Sunday afternoon in a practice drill at Bonneauville in which the units tested their ability to throw water on various parts of the town through relays from the Bonneauville fire company pond.

Sixteen hundred feet of hose was laid from the pond to the St. Joseph's Parochial School building and a steady stream of water was played.

Thirteen hundred feet of hose was laid to throw water from the top of the Gettysburg Fire Department's ladder truck onto the roof of St. Joseph's Catholic Church in Bonneauville.

10 Trucks Take Part

Firemen expressed their pleasure with the success of the test run, noting that the coupling setup had been made swiftly, bringing water to bear in every portion of the town within a few minutes from the start of the coupling. Various fire engines were used at the pond and others enroute to relay the water over the long distances.

Taking part in the test were ten fire trucks including two each from Bonneauville, McSherrytown and Gettysburg, and one each from Littlestown, New Oxford, Brushtown and Centennial.

Twenty-five fire policemen from the various companies took part in the test to direct traffic through Bonneauville. The fire police were able to keep traffic moving, with only momentary delays throughout the entire period of the test.

Secret Atom-Bomb Carrier Plane Crashes In London

LONDON (AP)—A huge delta-wing plane, one of Britain's secret atom bomb carriers, crashed and exploded in fog and rain at London Airport today before horrified dignitaries welcoming the plane home from New Zealand.

Hair-triggered ejector seats, touched off just before the four-jet Vulcan crashed, saved the lives of Air Chief Marshal Sir Harry Broadhurst and Squadron Leader D. R. Howard, captain of the plane.

Four bodies were recovered from the smoking, flaming wreckage which littered the airport's "Lucky No. 7" runway for 200 yards. Broadhurst and Howard received minor injuries in their fall of about 300 feet. Parachutes eased them to the ground.

Eyewitnesses and a spokesman for the builders of the Vulcan, the A. V. Roe Co., said the canopy

PUERTO RICAN IS STABBED TO DEATH SUNDAY

Felipe Malave Serrano, 30, of Villalba, Puerto Rico, and Gardners R. 1, was arraigned today by state police before Justice of the Peace Robert P. Snyder on a charge of murder, and he was returned to the Adams County jail. A hearing and an inquest will be held later.

An "argument over women in general" early Sunday morning resulted in the death of a Puerto Rican laborer, Eliseo Cruz Rodriguez, "The Barber," 31, at a labor camp on the William Lott farm, Gardners R. 1.

Another Puerto Rican laborer, Felipe Malave Serrano, 30, was arrested on suspicion of murder and District Attorney Daniel E. Teeter said in all probability a murder charge will be laid against Malave later today.

Cruz died of a stab wound that penetrated the left ventricle of the heart. He also had five other knife wounds of the chest, which did not penetrate into the chest wall, an autopsy Sunday afternoon at the Pittsburg Funeral Home in York Springs disclosed.

Cruz is believed to have been married and father of several children. Malave is believed to be a widower with one son.

Two other persons in the house where the knife-slaying occurred were also brought to the Adams County jail and held on morals charges, the District Attorney said.

Flees Into Woods

Malave left the Lott farm house, near Idaville, after the fatal knife and hid in the woods near the house while seven policemen conducted a search for him Sunday morning. He was located about 10 o'clock Sunday morning about a half-mile from the house "on the other side of the hill," police said.

Malave told the officers he fled when Mr. Lott and others arrived about 2 o'clock Sunday morning. He said he had been in his room after the knife and when "so many cars" arrived he fled from the house "down a fire escape from his room," and hid in the woods.

The frame two and a half story eight-room farm house on one of the farms owned by Mr. Lott has been used by Puerto Ricans since last December when Victor Rodriguez and his wife, Ruby, and their two daughters aged 14 and 5, moved into the home. The family had been employed regularly on the Lott farms.

Others In House

The Rodriguez family occupied the two front downstairs rooms of the house. As additional Puerto Ricans arrived they were assigned other rooms. The Rodriguez family serving as managers of the home in addition to working in the orchards.

A kitchen and a storeroom are in the rear of the house on the first floor. Cruz was given a room above the kitchen. Malave lived in a room above the storeroom in a room above the storeroom when the two arrived from Puerto Rico August 15.

Apparently good friends, the two men were given employment throughout the harvest season. They

STRIKERS ARE DENIED HELP

PITTSBURGH (AP) — Pennsylvania's Supreme Court today upheld an injunction blocking unemployment compensation payments to workers involved in the 156-day strike against Westinghouse Electric Corp.

A decision on whether the payments are legal is up to the Superior Court, the Supreme Court said.

Affected by the injunction are some 276,000 unemployment compensation claims filed by Westinghouse employees under a Pennsylvania ruling that they were idle for 12 weeks because of a lock-out.

That ruling was made under a state law applying in Pennsylvania. It did not affect Westinghouse employees in other states.

Convening today in Pittsburgh for the second week of the fall session, the Supreme Court read off a group of decisions which included affirmation of the Dauphin County Court decision.

That ruling did not apply specifically to whether the state's ruling that a portion of the strike was a "lockout" was correct. It held only that a part of the Unemployment Compensation Act is unconstitutional in permitting compensation benefits to be paid out before the courts have ruled on whether or not a contested payment is legal.

In the arguments heard at Philadelphia last June, Chief Justice Horace Stern of the Supreme Court had expressed the opinion that only this phase of the issue was in doubt in the present case.

The Superior Court, Chief Justice Stern said at that time, can "make judicial interpretation" on rulings involving unemployment compensation.

Today's decision by the Supreme Court was announced by Justice John C. Bell Jr.

GOP CONFEREES NAME ELLIOTT

Franklin and Adams County conferees Friday night selected Douglas H. Elliott, already the Republican candidate for election to the State Senate, as the GOP nominee to fill the senatorial vacancy created by the resignation of Donald P. McPherson, Gettysburg, last summer.

Elliott's selection was not unexpected as the 26 delegates from two counties met at Caledonia Manor Friday night. Sixteen conferees from Franklin County and 10 from Adams attended the session called by George I. Bloom, Republican state chairman.

The selection of Elliott will not become official until a nomination certificate is filed prior to October 17 with the State Election Bureau.

The action resulted from the resignation of Senator McPherson to accept an appointment as an Interstate Commerce Commissioner. Franklin and Adams Counties were notified last month that although McPherson's term expires in late November, a successor must be named at the November 6 election by the electors of the two counties.

The successor will probably never be sworn into office since Legislature ordinarily does not meet before the first of the year.

There will not be a salary for the short term in office if he is not sworn in.

Democrats have named as their candidate for the regular four-year senatorial term, Charles M. McGee, Spring Run, the party nominee also for the full four-year term.

Hannah LeVan Wins Challenge Trophy

A visit by Mr. and Mrs. LeRoy LeVan, R. 1, and family to friends in Johnstown turned out triumphantly for their daughter, Hannah LeVan, Sunday.

Mr. and Mrs. S. D. Solomon, Johnstown, invited the LeVans to spend the weekend with them. After they arrived they learned that the Johnstown Junior Horseman's Club was planning to hold its annual show Sunday.

William Solomon, son of Mr. and Mrs. S. D. Solomon owned a thoroughbred horse, "Toby," that had never been shown before. He asked Hannah LeVan if she would ride the animal.

Hannah did and won the Junior Horseman's Challenge Trophy and second place in the open three-year-old class. Now she plans to return next year to defend the challenge trophy.

PLEADS GUILTY

Judge Chauncey M. Depuy, Chambersburg, Friday received a plea of guilt from Marvin L. Warren, 25, of Fairfield R. 1, to a morals charge filed by Patricia Lee Wolfe, Waynesboro. He was sentenced to pay a \$5 fine to the institution district, to pay the prosecution costs, to make reimbursement to the prosecutrix in the amount of \$213.40 for lying in expenses and to pay the prosecutrix \$550 a week for the support of her child.

A parole from the Franklin County jail was granted Harold E. Davis, Emmitsburg R. 2, who had been jailed on a drunken driving charge.

PUERTO RICAN

(Continued from Page 1)
Gettysburg on a shopping trip. Malave said he was along on the trip, other witnesses differed, the district attorney said.

Malave told police and the district attorney that he and Cruz got "into a friendly argument over women in general" enroute back from Gettysburg.

The argument apparently continued at the house later in the evening, according to the district attorney.

An altercation took place on the second floor of the house, and later continued in the kitchen, Malave said, according to the district attorney, that he went to the kitchen, about 10 o'clock to get something to eat, and Cruz followed him.

The fight resumed, Malave told the district attorney that Cruz struck him with a lead pipe, and that he struck Cruz with a kitchen knife. Malave had a lump on his head said the investigating officers. A piece of lead pipe used to connect bunk beds was later found in the house with blood on it.

Malave told the district attorney that when Cruz had been stabbed he left the kitchen and went up the stairs leading off the hallway at the kitchen to the second floor. He collapsed at the top of the steps.

Rivera said he heard Cruz calling for him and went downstairs to find Malave and Cruz in a fight. Cruz then staggered up the stairs and Rivera and Malave, following, found Cruz collapsed on the hall floor. They helped him into his bed, where death ensued.

Meantime, the Rodriguez family, alarmed, drove off to find Mr. Lott. Mr. Lott was informed about 1:45 o'clock Sunday morning and police were called.

In addition to the arrest of Malave, the officers also arrested Mrs. Brady and Rivera on a morals charge. All three were placed in the county jail.

PARKED CAR IS BADLY DAMAGED

A woman driver, who "blacked out" at the wheel of her automobile early Sunday morning, caused considerable damage to her car and a parked car owned by James R. Feather, 512 Carlisle St.

The driver, Joanne L. Shaffer, 18, Williamsport, was treated at the Warner Hospital for bruises of the face and chest. A passenger in her car, Sherry Shaffer, 13, was treated for a cut tongue. Damage to Feather's car was estimated at \$500 and to the Shaffer car at \$300.

At 6:30 a.m. Sunday Miss Shaffer, who was driving north on Carlisle St., allegedly "blacked out" and drove her car to left side of the highway. Her car struck a steel post and then hit Mr. Feather's car parked on the west side of Carlisle St. The impact of the collision forced Feather's car onto the sidewalk and pushed it for about 100 feet.

Miss Shaffer told authorities that she had slept for about only one hour the preceding night. After sleeping in the car she resumed her trip but remembered nothing of the accident.

Miss Shaffer will be charged by borough police with reckless driving. She will be sent a notice by Justice of the Peace John H. Bashore.

pages are required for the affidavits of the various plaintiffs.

The court held that "much of this cost could have been avoided by the simple expedient of bringing the action in the name of one or more plaintiffs for the benefit of himself and all others similarly interested."

It was also held that "the costs were unnecessarily increased by the joinder of many persons who could not have maintained the action on their own behalf. While the defendants should not be relieved of the payment of costs, they should not be penalized by being required to pay costs unnecessarily and improperly incurred."

In conclusion the court held that "more than one half of the plaintiffs have no legal interest in the matter in controversy and could not have maintained the action in their own behalf," and "the costs should be divided equally between the plaintiffs and the defendants."

"OLD CUSTOMS"

Old customs are like vintage wine . . . they mellow more with age . . . and warm our hearts each time they act . . . on life's revolving stage . . . old customs link us to the past . . . renewing days gone by . . . each one has tender meaning . . . that tends to satisfy . . . fashions of a yesteryear . . . appear once in awhile . . . to captivate the modern age . . . and fast become the style . . . most mannerisms of the past . . . are really gone to stay . . . but some of them will linger on . . . forever, come what may . . . like crushing flowers in a book . . . or many people people do . . . or one that deals with wearing . . . something borrowed, something blue . . . indeed there are so many more . . . I could not list them all . . . but each gives us a fleeting glimpse . . . of time beyond recall.

tend. Father Boyle announced that October 21 is Mission Sunday, and there will be a special offering received for the missions. Beginning on October 7, Sunday masses will be at 7:30 and 10:30 a.m., the latter being a high mass.

demie and vocational. A large percentage of those who drop out of the academic course have not given themselves a chance. We need greater cooperation between parents, counselors and teachers to help children decide what to study.

Miss Helen Cleaver, Reading, supervisor of intermediate grades in the Reading schools and chairman of the education committee of the Reading AAUW, told the group:

"Teacher recruitment has two facets. One is the training now being given future teachers in the colleges, the second is encouraging young children to become teachers when they take up their life work. We are now faced with a double problem, the lower number of teachers, who were the children of the depression years when the birth rate was low, and the great number of small children to be taught, products of the boom in births that occurred after World War II."

Discuss Branch Problems
"Since 1948 the nation's school population has increased by 6,000,000 children. In the next ten years it will increase by 7,000,000. We will need 80,000 more elementary teachers, 50,000 more secondary teachers, 5,000 more executives in school positions and we will need 150,000 more college teachers to meet the needs of the student population."

Mrs. Cecil Seronsy, Bloomburg, of the State Mental Health Board, said "there are 750,000 persons in mental hospitals despite the fact that with new drugs and new treatments we can cure mental illness more quickly. Pennsylvania plans to spend \$68,500,000 during the next two years on its mental health program. That will average \$3.20 per patient per day. That compares to \$8 to \$14 per day spent in the care of veterans for mental health."

Four workshops were held on "Facing Our Branch Problems." Mrs. Paul Gschwend, Lancaster, conducted the workshop on "What Brings Members Out to Meetings." Recommended were more publicity and the giving of specific duties to each member, plus variety and "change of pace" in meetings.

State Board Members Here
Mrs. Wayne P. Larson, Harrisburg, presided at the workshop on "What Makes Study Groups Successful." She told the group, the "AAUW branch is the hub of the wheel, the study groups are the spokes."

Mrs. Dale H. Harbison, Carlisle, was in charge of a workshop on "How to Bring Our Program Into Local Focus, Including the Political Area." Recommendations were that each branch take up some specific problem and work at it until a solution is secured. She told of the work of the Carlisle AAUW with the library there as an example of community service.

Miss Martha M. Donner, Harrisburg, was in charge of a program on "Money Management" in which methods of raising funds by AAUW groups was discussed along with projects on which sums could be dispersed.

Members of the state board of the AAUW introduced at the general meeting were Mrs. Dorothy Craver, Gettysburg, state International Relations chairman; Mrs. Paul Whitely, Lancaster, social studies chairman; Miss Martha Donner, editor of the state AAUW paper; Miss Ann Meikle, Harrisburg, state legislative

FRANCHISE IS DROPPED

ALLENTOWN, Pa. — The Allentown Cardinals will not operate in the Eastern Baseball League next year, General Manager Don Dix announced today. Dix said the parent St. Louis Cardinals had decided to drop the Allentown franchise because of "a lack of fan support."

chairman; and Mrs. Sydney Worthen, Allentown, art chairman.

Mrs. Frances T. Freeman Jalel, of the headquarters staff Status of Women committee, Washington, D. C., spoke at a luncheon held at Huber Hall. She told the group that women have "now a four-fold duty: as creators, homemakers, community leaders and breadwinners." One-third of the labor force in the U. S. is made up of women, she said, and of that number one-half are married.

"We are moving into a period of the four-day work week. Which again will pose problems. Are we going to change the quality of our living? Will increased leisure lead to more good things for all, more culture, more good recreation, or will the increased leisure lead only to a downgrading of our activities?"

She concluded by observing: "There is talk that women are leaving the home to take part in community and industrial activities. Women have never left the home, they have only expanded it, to take in the community, the nation and the world to meet the challenge of a changing world."

Ford's 1957 Fairlane sedans have "hardtop" styling though they are built with the conventional center pillar in the body. Designers slimmed the center pillar, window frames and roof line to achieve the style which has rapidly increased the popularity of Ford's pillarless Victoria models. The new line also presents two-door and four-door pillarless Victorias in the Fairlane and Fairlane 500 series.

FORD UNVEILS 19 MODELS ON WEDNESDAY

For the first time in its 53-year history, Ford Motor Company will produce two sizes of Ford cars, the company announced today. The 19 new models to be unveiled by Ford dealers Wednesday morning will have the highest performance engines ever offered in the low price field.

R. S. McNamara, Ford Motor Company vice president and Ford Division general manager, said the 1957 Ford "represent the biggest change in the modern history of the Ford car."

The new Ford line divides into two basic sizes, Fairlane and Custom, plus the station wagon series, each with its own body and chassis. In addition, the Fairlane series has been expanded to offer "Fairlane 500" models, which have extra luxury features.

Nine Inches Longer
The 1957 Fairlane and Fairlane 500 sedans are nine inches longer and four inches lower than last year's comparable models. Custom and Custom 300 sedans are more than three inches longer and nearly three and one-half inches lower than the 1956 models. Station wagons are three and one-half inches lower and nearly six inches longer. Fairlanes and Fairlane 500s are built on a .18-inch wheelbase. Station wagons, Customs and Custom 300s have a 116-inch wheelbase.

"There has been no sacrifice of headroom inside the car, in spite of their reduced height," McNamara said. "The new frame extends to the sides of the car, and this permits the floor to be lowered inside the frame rails."

"The design and styling are new from the ground up. Every dimension is changed. Wheels, frame, rear axle, drive shaft, engines, and every inch of sheet metal in every body style are definite departures from past models," he explained.

day School room of the church immediately after the ceremony. They are on a honeymoon of unannounced destination.

The couple was graduated from the York Springs High School in 1955. The bride, who is employed as a secretary at the Duffy-Mott Co., Inc., Aspers, will remain with her parents while the bridegroom is stationed with the U. S. Navy at Chincoteague, Va.

Trimmer—Weaver
Miss Nadine Lucille Weaver, daughter of Mr. and Mrs. Norman H. Weaver of York, and George Bernard Trimmer, son of Mrs. Louise Reiff of Abbotstown R. 1 and the late Mr. Trimmer, were united in marriage Saturday at 4 p.m. in St. Matthew's Lutheran Church, York.

The Rev. Gordon E. Folkemer officiated at the double-ring ceremony. The organist was E. E. Shroeder and Mrs. Robert Morgart was the soloist.

The couple was attended by Mrs. John Miller, York, as matron of honor, and Richard P. Sprigle, York, as best man.

A graduate of William Penn Senior High School and Thompson's Business College, the bride is presently employed by Caterpillar Tractor Co. Her husband was graduated from the same senior high school and from the Wharton School of Finance and Commerce, University of Pennsylvania, and is employed as a salesman by Keystone Wire Cloth Co., Hanover. He served with the U. S. Army Air Force for five years.

Livelsberger-Weller

Patricia E. Weller, daughter of Mr. and Mrs. C. Robert Weller, McSherrystown, became the bride of Thomas J. Livelsberger, son of Mr. and Mrs. George Livelsberger, McSherrystown, at a double ring ceremony Saturday in the Annunciation Church, McSherrystown. The Rev. Richard F. Harnett officiated. The children's choir sang during Mass, accompanied by Mrs. Bernard Henry, organist.

The bride, given in marriage by her father, was attended by Joanne Weller, her sister, as maid of honor. Bridesmaid was Phyllis Bolin, Hanover R. 4.

George Livelsberger Jr. was best man for his brother. Ushers were Robert Staub, uncle of the bride, and Leo Livelsberger, brother of the bridegroom, both of McSherrystown.

About 225 persons attended a reception held in the Knights of Columbus Home, McSherrystown. Following the reception the couple left on a trip to the mountains. They will reside at 404 Main Street, McSherrystown.

BUSO FIGHTS SALEM TONIGHT AT ST. NICK'S

By MURRAY ROSE

The Associated Press

A couple of promising lightweights, 21-year-old Johnny Busso of New York, and 23-year-old Tommy Salem of Cleveland, clash tonight in what figures to be a close and spirited 10-rounder at New York's St. Nicholas Arena.

Conqueror of veteran Orlando Zulueta and free-swinging Johnny Diglio in his last two starts, Busso had accumulated a 27-3-1 record, including 13 kayos. The East Sider has developed a strong following.

Salem impressed in his first appearance in New York July 30 although he dropped a split, 10-round decision to undefeated Carlos Ortiz. Tommy's record is 22-6-1 with 4 kayos.

Starting at 9 p.m. EST, the bout will be telecast by the DuMont network.

Other Fights For Week

Jimmy Beecham, a bright, 21-year-old welterweight corner from Philadelphia, faces Hector Constance, clever, 25-year-old Trinidad veteran, in the Wednesday night radio-television, ABC, 9 p.m., EST, 10-rounder at the Miami Beach Auditorium. Beecham's record is 14-2, seven knockouts. Constance's record is 25-8-8, seven knockouts.

Tony Anthony, 21-year-old, seventh-ranking light-heavyweight contender from New York, and Clarence Hinnant, 23-year-old Washington, D. C., puncher, match power in the Friday night radio-TV, NBC, 9 p.m., EST, 10-rounder at Washington's Capitol Arena. This shapes up as the fight of the week. Each has won his last three fights by knockouts. Anthony, a member of the 1952 American Olympic boxing team, has moved up fast this year. He has a 27-4 record with 21 kayos. Hinnant's record is 21-8 with 16 knockouts.

High School, McSherrystown, is employed in the office of L. E. Beaudin Shoe Co., Hanover. Her husband, who attended the same school, is employed by the Western Maryland Railway as a brakeman.

Ruhlman-Jacobs

Miss Grace Elaine Jacobs, daughter of Mr. and Mrs. Ervin Jacobs, Abbotstown R. 1, became the bride of Robert L. Ruhlman, son of Mr. and Mrs. Bruce Ruhlman, Westminster, Md., September 22 at Kingdom Hall, Hanover.

The double ring ceremony was performed at 7 p.m. by the pastor, Rev. Glenn Brenneman.

The maid of honor was Marlene Fuhrman.

Garry Light was best man and Clyde Fuhrman and Paul Lauer were ushers.

Elaine Yohs, a niece of the bride, played wedding music. A reception was held at Abbotstown Fire company hall, with the company auxiliary serving.

The couple is residing in Abbotstown after a honeymoon to Niagara Falls and Eastern Canada.

Trish-Lippy

Miss Delores Kathryn Lippy, daughter of Mr. and Mrs. Irvin Lippy, Littlestown R. 1, became the bride of Robert Lee Trish Jr., son of Mr. and Mrs. Robert L. Trish Sr., Hanover R. 2, in a ceremony performed on Saturday afternoon at 3 o'clock in St. Mary's Lutheran Church, Silver Run.

The Rev. David S. Kammerer, pastor of St. Paul's Lutheran Church, Littlestown, officiated at the single ring ceremony. Mr. and Mrs. Harold Trish, Hanover, brother and sister-in-law of the groom, attended the couple as best man and matron of honor.

The bride was attired in a pink ballerina length gown with white accessories. She wore a corsage of yellow rosebuds. The matron of honor wore a white ballerina length gown and white accessories.

Following the ceremony, a reception was held at the home of the bride's parents. The newlyweds are residing at 223 N. Queen St., Littlestown. Mrs. Trish is employed by the L. E. Beaudin Shoe Company, Hanover. Mr. Trish is employed by the Sylvania Shoe Company, McSherrystown.

Final Period Score Gives Unbeaten Littlestown 7-0 Win Over York Catholic

LAUREL CONFERENCE

After being halted three times within a few yards of scoring, the undefeated Littlestown High School football team finally shook Gene Miller through right tackle for a 12-yard scoring run in the final quarter to edge York Catholic 7-0 Saturday afternoon at Littlestown before a thin crowd. It was the fourth straight triumph for Coach Wib Gobrecht's Thunderbolts.

Littlestown completely dominated play throughout the entire game but was stopped time and again by the determined Crusaders.

There was but one scoring threat in the first half and that took place near the end of the second quarter. Al Snyder, an outstanding Bolt performer, recovered a York fumble on the Crusaders' 27. Gene Miller and Kelly Pottorff led the attack which moved the leather to the 8 but an off-side penalty set the Bolts back to the 13 and York Catholic braced to take the ball. The half soon ended in a scoreless tie.

Halted At 1
After receiving the second half kickoff the Thunderbolts, led by Miller and Bob Nester, reeled off

five straight first downs to the York 4 where they were again stymied. The Crusaders failed to gain and Borsa punted out to his 40 from where Jack Busbey returned to the York 20. Again Littlestown was on the move but again they were to be denied, this time one-yard short of pay dirt.

Midway in the final period Littlestown secured possession on the Crusaders' 30 from where they opened their scoring drive. Nester, Pottorff and Miller racked up a first down. Three more plays picked up eight yards and then Miller shot through tackle for the score. He added the point on a right end sweep.

Threaten Again
As the game ended the Bolts were bidding for another TD, having the ball on the 2 when the final whistle sounded.

The entire Littlestown outfit put up a fine all-around game and credit goes to each player. The Bolts' line was particularly effective.

Friday night the Bolts will host Dallastown in a Laurel Conference game.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

ONE HUNDRED YEARS AGO

Gettysburg: The Fourth Presby-
terian Church, in Baltimore, has
given a unanimous call to the Rev.
Jacob A. Lefever (formerly of this
place,) to be their Pastor. Mr.
L. has been preaching for them
for a few months as a supply,
and his labors have been so suc-
cessful, and his ministrations so
agreeable, that the unanimous
call is the result.

Rev. O. B. Thayer, who was
appointed at the last session of the
Baltimore Annual Conference to
Gettysburg, has, it is stated, re-
ceived from Bishop James a trans-
fer to the Oregon (Illinois) Con-
ference, and at the session of that
conference held in Portland, Illi-
nois, on the 17th of September,
was appointed to Oregon City
Circuit.

Ridiculous! To hear the Compiler
trying to humbug his readers into
a belief that the Sentinel belongs to
a "contemptible Abolition party
when every man, woman and child
in the community knows it never
did, does not, and never will. It
will not interfere with Slavery
where it exists constitutionally,
and deprecates and condemns the
course of the Garrison fanatics.
But it ever has, and ever will,
raise its voice against the exten-
sion of Slavery into territory now
free. This is the great issue now
before the people, and all the
ridiculous cry of Abolition and
Black Republicanism will not
drive the freemen of the Union
from their onward course!

The Old School Presbyterian
Synod of Baltimore will meet at
Winchester, Va., on the 15th instant.

SEVENTY-FIVE YEARS AGO

The Fair: The attendance at the
County Fair last week was not
as large as usual, although, we
believe, the receipts paid the cur-
rent expenses. The exhibition in
the Household department was
larger and more varied than on
any previous year. The display of
stock, agricultural implements
and products, on the other hand,
was not satisfactory. No doubt
the protracted drought, the national
anxiety over the President's
(Garfield) death, and the observ-
ance of Monday as a day of
prayer and humiliation had largely
to do with the comparative small
attendance. A list of the pre-
miums awarded will be found in
to-day's issue.

President of the Board of Direc-
tors, delivered the charge to the

Today's Talk

SORROW
We are all placed upon a com-
mon plane when sorrow comes our
way. Emotionally we seem so lost
and so helpless. Emerson says
that at such a time we are as
children again.

In sorrow we bow in humility,
apparently helpless, but dependent
upon those finer elements of our
nature that are like golden cords,
uniting us all in a universal
brotherhood, and surrendering our-
selves to the kindness and com-
fort of the Father in Heaven.

In the midst of our loss we are
alone with all our remembrances
of love and devotion on the part
of the one who has left us. We
surrender our faith and ask for
its enlargement that we may bear
up and with a courageous heart
brave our way back to our normal
ways, knowing that we shall be
given comfort and light ahead.

To each of us, in the midst of
sorrow, must come the silent voice
or whisper, from the Infinite, tel-
ling us to carry on and put our
trust in the larger plan that God
always has for the least of us.
We have those precious memories
to give us comfort through the
dark days, and when loneliness is
most evident.

Every time we lose a friend or
dear one we also die a little, and
leave our beloved to share the
mystery of eternity. God's text-
book is not always clear to any
of us, but constant study reveals
all that we perhaps ought to
know. Surely death upon this
earth cannot end all.

So many of my friends of late
have slipped silently away to ex-
perience the greatest adventure.
In each case I have wondered
why they couldn't have stayed by
for a little longer time. But there
has been no reply to my question-
ing. Perhaps love has the key!

Tomorrow Mr. Adams will talk
on the subject: "Never Be Angry!"

Just Folks

PROMOTED

The lady looked at me and smiled:
"I've been promoted by a child;
Another title now I own,
Henceforth as auntie I'll be known."

"Before today I'd never asked
In just what ways an aunt is tasked,
And how by doing various deeds
An aunt from day to day succeeds?"

"My wisest friend, as you aunts have
been,
Tell me that I must stay serene,
And when a family trouble starts
Must always take the children's
parts."

"This I learn, although alone,
To love the youngsters as my own,
And for them hasten out to buy
What parents think they must deny."

"Well, while I live, it seems to me,
A generous aunt I want to be,
With everything I can supply
To spoil the children I will try."

NEW CROP OF SCHOOL GRID POWERS RISE

HARRISBURG (P)—A new crop
of Pennsylvania schoolboy football
powers rose to the top today and
pulled away from last year's
withering leaders at the one-third
point of the 1956 campaign.

Another defending conference
champion, Huntingdon of the
Western Conference, went down
to defeat over the weekend at the
hands of upset-minded Tyrone
12-7.

Huntingdon's defeat left only
two of last year's eight major all-
winning squads still with perfect
records.

Making themselves felt this
year are teams like Tamaqua,
Cass Twp., Wilkes-Barre Coughlin
and Bethlehem in the east, Harri-
burg John Harris in the central
section and Corry, Tyrone, Indi-
ana, DuBois, Johnstown, Jeannette
and Charleroi in the west.

24-Game Streak
In only one of the six major
conferences is the defending
champion still on top. But even
Carlisle of the South Penn with a
record of 13 straight may find
things tougher later.

However, the longest major all-
winning streak in the state was
boosted to 24 games with Lower
Merion's 42-6 thumping of Ridley
Twp. It was Lower Merion's open-
ing Suburban Philadelphia League
contest.

Rain cut heavily into the sched-
ule in the east and central sec-
tions but many games were
played on Saturday and others
were rescheduled for tonight.

Here's how the six major races
stand after four weeks of play:
Eastern Conference—Wilkes-
Barre Coughlin and Tamaqua
spurred into first place in the
northern and southern divisions.

Plymouth Second

Coughlin's 19-0 victory over Plym-
outh pushed Plymouth to second
place in the Northern Division.
Tamaqua won its fourth league
game 13-6 over Coaldale and re-
placed St. Clair and Schuylkill
Haven as Southern Division lead-
ers.

Coughlin was rated at 600 points
on a 3-0 record while Plymouth's
rating dropped from 1,000 to 500.
Swoyersville, rained out on Fri-
day, was next at 476.

Cass Township's 19-6 win over
Schuylkill Haven was enough for
a 445 rating and second place in
the Southern Division behind Ta-
maqua's 556. Schuylkill Haven ran
third and St. Clair dropped to sixth
despite its 38-0 win over Frackville.

Undisputed Lead

Western Conference—DuBois,
33-13 victor over non-league Clari-
on, took over the undisputed lead
on a 550 rating and 1-0 league
record.

But Indiana, 6-0 victor over
Northern Cambria, pushed to a
second place tie with Windber at
500 and 1-0. Curwensville beat
Punxsutawney 26-7 but was dropped
to fourth place at 2-0 and 475.
DuBois, Windber and Curwens-
ville were tied for the lead in the
first rating table of the year.

Five Are Tied

WPAL AA—Johnstown, 13-0
winner over Windber, Jeannette,
Charleroi, Sharon and Wilksburg
now have two conference wins
each. Still in the race with one
win apiece are Ambridge, Du-
quesne, Farrell, McKeesport and
Mount Lebanon.

Baldwin, Muncy and West
View have yet to play a double
AA game.

Those 13 teams are still in the
running for league honors but a
tie or loss would automatically
eliminate them from contention.

Six teams were eliminated over
the weekend. They are Browns-
ville, Connelville, New Castle,
Har-Brack, Altoona and Penn.

Section II—Corry whipped
Franklin 35-0 for its third league
win. Titusville, which plays Corry
Oct. 12, is close behind at 2-0.
Meadville, beaten in two non-
league games, has a 1-0 confer-
ence record while Warren, the de-
fending champ, has already been
beaten by Corry and Titusville.

John Harris Leads

Central Penn—Harrisburg John
Harris took the undisputed lead
by smashing Reading 3-9 to boost
its league record to 2-0. Williams-
port, the defending co-champion,
was rained out of its first league
game against York. It will be
played today.

South Penn—Carlisle whipped
Hershey 21-0 to take the lead on
a 2-0 record but Chambersburg
and Mechanicsburg are breathing
down the herd's neck in a second
spot at 1-0.

In other games over the week-
end: Berwick and Mount Carmel, de-
fending co-champs of the Key-
stone League, fought a 13-13 tie;
Bethlehem won its third straight
35-7 over Chester; West Chester
continued to set the pace in the

tional League today.

It took them right up until the
last day of the season to prove
it, though.

Last Friday, they were a game
behind the Milwaukee Braves.
Each had three to go. The Brooks
needed help from the St. Louis
Cardinals, who were playing Mil-
waukee in the final three-game
set.

Cards Come Through
Not only that, they had to win
their last three against Pittsburgh.
The Cards came through, winning
two out of three from the Braves.
The Brooks clubbed the Pirates
three times, including yesterday's
8-6 conquest, for a one-game ad-
vantage at the end.

Pittsburgh manager Bobby Bran-
gan made, perhaps, the most il-
luminating comment on the Dod-
ger victory.

"Brooklyn won it the hard
way," he said. "They deserved to
win. Milwaukee had it and gave it
up. They didn't deserve the pen-
nant."

Pressure Was Off

The Braves, who finally licked
the Cardinals, 4-2, when it was
too late knew it, too. There will
be no cries of "foul."

The pressure actually was off
the Dodgers yesterday because
they could do no worse than tie
if they lost and Milwaukee won.
But the victory didn't come
easy. Ace pitcher Don Newcombe
couldn't protect a five-run lead
and had to be taken out in the
eighth inning.

Little Don Bessent saved the
game. The Brooks hit five home
runs—two each by Duke Snider
and Sandy Amoros and one by
Jackie Robinson—and needed
them all. Snider's second was his
43rd of the season and set a Dod-
ger record.

Chased Newcombe

All the home runs except Amoro-
s' second propelled the Brooks
into a 7-2 lead going into the sev-
enth. Then Newcombe loaded the
bases and Bill Virdon cleared
them with a double. In the next
inning, Lee Walls clubbed a home
run into the left field stands to
pull the Pirates up within one
run. That was all for Newcombe,
but they couldn't get any further.
Lew Burdette and Ray Crone
pitched the Braves to their vic-
tory over the Cardinals. But half-
way through the game, the
Brooklyn score was posted and
that took all the meaning out of
it. Eddie Mathews hit a home
run for the Braves, and Hank
Aaron got his 200th hit of the sea-
son.

"I will be rooting for the Dod-
gers in the World Series," said the
Braves' No. 1 pitcher, Warren
Spahn, who lost Saturday's game.
"They rated the pennant."

Triple Crown

Other noteworthy developments
of the final day of the season:
1. Mickey Mantle of the New
York Yankees became the first
player since Ted Williams turned
the trick in 1947 to win the major
coveted triple crown—bating,
runs-batted-in and home runs.

2. Robin Roberts failed in his
quest for his seventh consecutive
20-game winning season.

3. Red Schoendienst of the New
York Giants got the 2,000th hit of
his career.

4. The Washington Senators set
a record in reverse, finishing the
season with 877 strikeouts, break-
ing a 42-year-old mark.

Giants Beat Roberts

Mantle batted only once in the
Yanks' 10-inning, 7-4 loss to the
Boston Red Sox, but he knocked
in a run. That gave him a batting
average of .353, 130 runs batted
in and 52 homers.

The Giants licked Roberts, tak-
ing the first game of a double-
header from Philadelphia, 8-3. The
Phillies won the nightcap, 5-2, and
in that one Schoendienst collected
hit No. 2,000.

Baltimore won a doubleheader
from the Senators 4-2 and 6-3.
Thirteen Nats fanned in the sec-

Ches-Mont League by blasting
Phoenixville 27-0, and Lebanon
surprised Lancaster 36-20 in a Cen-
tral Penn game.

and game to bring their season
total to 877. The previous mark
was 863 set by the St. Louis
Browns 42 years ago.

In other games, the Cincinnati
Redlegs, who finished two games
off the NL pace, turned back the
Chicago Cubs, 4-2, while in the
American League, the Detroit Tig-
ers stopped the Cleveland In-
dians, 8-4, and the Kansas City
A's whipped the Chicago White
Sox, 7-6.

1955 GRIDIRON LEADERS BACK IN TOP FORM

By DON WEISS
The Associated Press

Where's that difference a year's
supposed to make?

Once again, it's the Dodgers and
the Yankees in another World
Series. Right with them (1955 all-
over again) are Oklahoma, Mich-
igan State and Georgia Tech, look-
ing for all the world like the
powers-to-stay in college football.

Bud Wilkinson's "poor 'li Soon-
ers" from Norman, Okla., have
demonstrated enough in one ap-
pearance to indicate it will take
something to dislodge them from
the No. 1 national ranking they
drew in The Associated Press poll
last year and in the first balloting
this semester.

35-Point Bonus

Michigan State, the Rose Bowl
champion and favorite in the Big
10, made a tidy debut by taking
the scalp of the Stanford Indians,
considered the best in the Pacific
Coast Conference.

As for Georgia Tech and its
experienced crew, there is even
less change from a year ago. The
Engineers have been out twice and
twice home a winner in tight
games, the kind Tech specializes
in winning.

Wilkinson, who said he would be
happy with a one-point victory
over North Carolina in Okla-
homa's opener, got a 35-point
bonus from his kids. The 36-0
ramp was the Sooners' 31st
straight victory, tying their own
national collegiate record set in
1948-1949-1950. One more sets a
new mark and it ought to come
Saturday against Kansas State.

Face Michigan Next

Jim Tatum, Wilkinson's former
tutor and new coach of North
Carolina, has little doubt that
Oklahoma has it again.
"They're the real national
champs," said Tatum, who also
lost to Wilkinson with his Mary-
land team in the Orange Bowl last
January.

Michigan State had a more dif-
ficult time but broke loose from a
7-7 halftime score to whip Stan-
ford, 21-7. The Big 10 title could
be on the line as soon as next
Saturday when the Spartans meet
arch-rival Michigan, a 42-13 win-
ner over penalty-weakened UCLA.

Tennessee Romp

Georgia Tech, back with virtu-
ally the same team that beat Pitt
in the last Sugar Bowl, won an-
other squeaker—this one 9-7 over
a Southern Methodist squad that
upended Notre Dame in its opener
a week ago. Tech opened the
season defeating Kentucky 14-6.

If there was a shocker Saturday,
it was Tennessee's 35-7 romp over
Auburn. Both were rated with
Georgia Tech at the top of the
Southeastern conference.

In the East, Army and Navy

apparently will vie with Pitt for
honors. Pitt was back strong
against highly-regarded Syracuse,
14-7 after its one-point victory over
West Virginia a week before.
Army brushed past VMI 32-12 but
indicated a need to close up a few
holes in its pass defense. Navy
trailed William and Mary for a
quarter, then opened up to win
39-14.

Bucknell Rallies To Top Bullets 17 To 7 Saturday In Bowl Game At Hershey

Bucknell University, trailing 0-7 at the end of the first quarter, rallied to defeat Gettysburg College, 17-7, before 8,000 in the ninth annual Rotary Bowl game at Hershey Saturday night.

The Bullets threatened the first time they had possession. Gettysburg kicked off to Bucknell, and the Bisons were forced to punt on fourth down. The ball rolled dead on the Gettysburg 35.

Earl Yost and Frank Capitani were unable to gain on the first two running plays, but Bucknell was penalized five for offsides. Yost, gradually returning to form after two years in the service, took a handoff from Charles Heverly and dashed through left tackle for 28 to the Bucknell 32.

After Dave Lichtenfeld picked up five around right end, Capitani hit center for two. A pass interference call against the Bisons on a Heverly toss, intended for Larry Davies, gave the Bullets a first down on the Bucknell 15. Here the attack waned as two running plays and a pair of attempted passes cost Gettysburg three.

Bucknell marched back up the field to the Gettysburg 40, but there the offense stalled and Jim Stewart punted to the 11. Lichtenfeld returning to the Gettysburg 29.

Capitani hit right tackle and fumbled, but Al Kempton recovered. On the next play, Capitani sliced through right tackle, was hit by several Bisons, staggered and finally righted himself and went 68 yards for the first score of the game. Lichtenfeld added the extra point with a perfect placement, Heverly holding.

Bucknell evened the score early in the second period when Lew Hart recovered a Gettysburg fumble on the Bullets 13. Ted DuPuy tried the center of the line for no gain, but Chuck Warner took a pitchout and raced around right end before being driven out of bounds on the two. Terry Fetterman sneaked over on the next play in 1:02 for the score. Fetterman placed kicked the extra point.

The remainder of the first half was evenly fought with Bucknell advancing to the Bullets 36, and Gettysburg advancing to the Bisons 45.

After the intermission, Bucknell seemed more aggressive. Stewart kicked off to Capitani on the Gettysburg 10, and Capitani raced back to the Gettysburg 37 but the Bullets were penalized to the 22 for clipping. Yost hit left tackle and Lichtenfeld raced around right end for a first down on the 35. On the next three plays, the Bullets lost five, and Capitani punted to Stewart on the Bisons 31.

Picking up power, Bucknell moved to the Gettysburg 43 before the Bullets braced and took over on downs.

LITTLESTOWN 9 WINS OPENING PLAYOFF GAME

Littlestown, fourth-place team in the final South Penn Baseball League, got the jump in the title playoff series by nipping Bendersville 6-5 Sunday afternoon at Bendersville.

The second of the best-of-three series will be played next Sunday at Littlestown.

After Littlestown took a 4-1 lead with two runs in the top of the fourth, Bendersville came back with a pair of tallies in the fourth and one each in the fifth and sixth frames to edge ahead 5-4. However, Littlestown pushed over a pair in the top of the seventh and clung to its narrow lead the remainder of the game.

Bob Decker led Bendersville's 10-hit attack with three singles. Smith collected three of the winners' eight safeties.

CHICAGO UPSETS BROWNS; COLTS DEFEAT BEARS

The Associated Press
The Cleveland Browns are in trouble; the Chicago Bears may be a disappointment; the traditional powerhouses can forget about the usual pasties.

These are the indications after the first weekend of action in the National Football League.

Cleveland, defending champion, was upended yesterday by the Eastern Conference finisher last season, 9-7 on three field goals by Pat Summerall. The Bears, off a successful 5-1 exhibition season and tabbed by many to go all the way this year, bowed to the Baltimore Colts 28-21 under the pin-point passing of sophomore quarterback George Shaw.

The New York Giants, with Mel Triplett scoring three times, led all the way to beat the San Francisco 49ers 38-21; the resurgent Detroit Lions downed the Green Bay Packers 20-16; the Los Angeles Rams romped over the Philadelphia Eagles 27-7, and Lynn Chandrais, with three touchdowns and a 91-yard-kickoff return, led the Pittsburgh Steelers to a 30-13 victory over the Washington Redskins.

The Browns, always a good defensive club, prevented the Cardinals from scoring a touchdown but could not stop Summerall's accurate toe as he booted 3-pointers from 12, 16 and 9 yards out. Paul Brown's charges, who scored an average of 29.8 points a game last year, managed only one score, a 48-yard touchdown pass play from George Ratterman to half-back Ray Renfro.

Shaw, completing 12 straight passes with two going for touchdowns, proved too much for the Bears to handle. He completed 19 in 25 attempts for 253 yards. The other two Colt touchdowns, set up by two 1-foot plunges by Alan (The Horse) Ameche, the bruising All-America fullback from Wisconsin.

Veteran Bobby Layne, starting his ninth season in the NFL, returned to action in the third quarter after an injury early in the game, to boot a 12-yard field goal and score the deciding touchdowns for the Lions, cellar-dwellers last year in the Western Conference.

The Lions led all the way, surviving a Packer touchdown on a pass from Tobin Rote to Gary Kafelac in the waning moments. The Giants jumped to a 24-0 lead from which the 49ers never recovered. A 44-yard Don Heinrich to Alex Webster scoring pass play, a 59-yard yardstick scramble by Frank Gifford, a 17-yard field goal by Gifford and a 35-yard Heinrich pass for Triplett's first touchdown, all in the first half, were enough for the victory.

Chandrais, out the entire exhibition season, appeared more than fully recovered from his injuries as he scored on 2 and 5-yard runs and a 17-yard pass from Ted Marchibroda. Washington, the second-place finisher in the Eastern Conference last year, could not get much of an offense going.

Los Angeles, last year's Western Conference champ, came through as expected over Philadelphia. Second-string quarterback Bill Wade passed the Rams to one touchdown and led the other two scoring drives.

Warriors Trowned 34-0 By Chambersburg Here Saturday In League Tilt

A trio of passes, Daryl Stoops to Herb Faust, highlighted Chambersburg's drive for its final score. Stoops racing 23 yards on an end run to wind up the drive to paydirt. Meminger converted.

In the fading moments Gettysburg reached Chambersburg's 37 before being forced to kick. The Warriors will play at Mechanicsburg Friday night in another league affair.

Jr. High Hosts Delone Tonight

Gettysburg Junior High School's football team opens its delayed season here tonight at 7 o'clock against Delone Catholic.

The game was postponed from last Thursday because of unfavorable weather.

FAIRFIELD 5-0 WINNER; TITLE GAME SUNDAY

Fairfield and Cashtown will meet next Sunday afternoon at 2 o'clock at Cashtown for the playoff title of the Pen-Mar Baseball League.

That was decided via a flip of the coin after Fairfield blanked Cashtown 5-0 Sunday afternoon at Fairfield on a neat four-hitter by George Selford to deadlock the three-game series at one game each.

Fairfield tabbed two runs in the third on a walk, an error and three singles. They added a trio in the fifth on a double, single, a costly throwing error and a sacrifice fly.

Jim Spence started on the mound for Cashtown with Don Bucher taking over in the fifth. Bucher did not allow a hit in his four innings of relief.

Selford was touched for a double by J. Spence in the third, singles by Single and I. Herring in the fourth, and a single by Single in the ninth.

SAY KHRUSHCHEV SEEKS AID OF TITO IN FIGHT

By BORIS BOSKOVIC
BELGRADE, Yugoslavia (AP) —

Tito's surprise trip to Russia is viewed here as an effort to strengthen the hand of Soviet Communist party boss Nikita Khrushchev in a struggle against old Stalinists exerting renewed influence in the Kremlin.

Informed Communist party sources say Lazar Kaganovich, an intimate friend of Stalin, is leading a group inside the Soviet Communist party seeking to halt Khrushchev's policy of de-Stalinization and a more liberal communism.

These sources say Khrushchev pleaded with Tito to return with him to help line up support from elements in the top Soviet officialdom—principally Premier Bulganin and Deputy Premier A. I. Mikoyan.

Bulgarian Undecided
They pictured Bulganin and Mikoyan as undecided between the pro-Stalin group and the tiny knot of Khrushchev's supporters.

Tito went with Khrushchev to the Soviet leader's villa at Yalta in the Black Sea without advance announcement Thursday, stirring speculation throughout the world Khrushchev had spent eight days in Yugoslavia on what was described as a vacation. His visit also came unexpectedly.

Tito's trip to the Black Sea resort also was called a vacation. Informed sources here said Tito's trip was so urgent that he went despite a strong warning from U.S. Secretary of State Dulles that signs of his possible return to the Soviet camp might jeopardize further American aid to Yugoslavia. They said Dulles' warning arrived during Khrushchev's visit here.

Guests Of Khrushchev
The informants hinted that the reasons that prompted Tito to take his unusual air journey would be explained privately to Dulles by Foreign Minister Koca Popovic, now en route to New York for next week's U.N. Security Council meeting.

Tito and his entourage were

Plea To Governor Wins For Girl, 10

HARRISBURG (AP)—Ten-year-old Eileen Dean got the right today to ride her pony "Tony" on the Bureau of Animal Industry Farm.

Eileen, who lives near the Cumberland County state farm, wrote Gov. Leader, asking if he could arrange for her to ride her pony on the farm.

"I like to ride my pony," the girl wrote the governor, "but riding him on the road is very dangerous and other boys and girls scaring him, which caused me to fall off and get all brush burned."

Leader, father of three children, put Eileen's problem to Secretary of Agriculture William Henning who supervises the farm. Henning agreed she could ride "Tony" on the paths and wooded area of the farm.

FARM PRICES SLIP LOWER FOR 3RD MONTH

WASHINGTON (AP)—Average farm prices have dropped for the third straight month. But an Agriculture Department official says he expects them to strengthen shortly.

Issuing a monthly report on Friday, the department said farm prices slid downward about one-half of 1 per cent between mid-August and mid-September.

The report also showed that during the same period average farm family and production expenses decreased over-all about one-third of 1 per cent, thus virtually keeping step with the lower level of prices received.

Prominent In Debate
Farm prices figure prominently

in the current political debate as the Democrats and Republicans battle for the presidency and for control of Congress.

Since mid-June, farm prices have dropped a total of 4 1/2 per cent. During the six preceding months, they had risen a total of 11 per cent.

The price level in mid-September was a shade above a year ago. But it was 24.9 per cent under the record high of February 1951.

ASKS FREEDOM FOR ISRAELI'S SHIPS IN CANAL

By WILLIAM N. OATIS
UNITED NATIONS, N.Y. (AP) —

U.N. Secretary General Dag Hammarskjöld says the present tense Palestine situation could be improved by establishing "freedom of navigation for Israeli ships" in the Suez Canal.

Hammarskjöld adds that conditions also could be improved by strict compliance with the cease-fire agreements he worked out last spring between Israel and her Arab neighbors — Egypt, Jordan, Lebanon and Syria.

The secretary general made these observations in a report to the 11-nation Security Council, which was published on Friday shortly before a second council meeting was scheduled for next Friday on the Suez question.

To Launch Association
The council will debate a British-French complaint that Egypt's July 26 nationalization of the canal and subsequent refusal to put it under international operation caused a situation likely to endanger peace.

Later it will take up an Egyptian complaint that actions of Britain in current political debate as the Democrats and Republicans battle for the presidency and for control of Congress.

WASH. HAILS AID FOR FARMERS

WASHINGTON (AP) — President Eisenhower Friday hailed what he called "major progress" in aiding small and low-income farmers through a rural development program.

An interdepartmental committee handling the program, under the chairmanship of True D. Morse, undersecretary of agriculture, presented its first annual report to Eisenhower.

The report said efforts to aid more than a million farm families who need to adjust to modern

methods are under way in half the states.

Eisenhower said in a statement complementing the group's work: "Initial success of this program is a challenge to all of us in the year ahead. We have a solid foundation to build upon. The rural development program is the first truly broad-based attack on the problems of low-income farmers."

The President said every one of the main recommendations made by the committee of government officials in April, 1955, has been acted upon, including expanded technical aid for families on small farms, new job opportunities, training in nonagricultural skills, research, and community action in rural areas.

WRIGHTSVILLE, Pa. (AP) — A man and wife were killed and two other persons were injured in a collision of two automobiles early Saturday on the Lincoln Highway a mile west of this York County community.

We would not have to keep all children in school until they are 16. I think there are many so emotionally and mentally constituted that it would be better for them and for society if they were to drop out and go to work."

Rep. John Bell Williams (D-Miss.), a member of the subcommittee, said in an interview it is "certainly conceivable" that the subcommittee may recommend a change. The District of Columbia law now requires children to remain in school until they have finished high school or reached their 16th birthday.

Wants Revision
Williams said however, he does not want to prejudice the issue on the basis of testimony by a single authority.

Under questioning by Williams yesterday, Cantrell said "I would like to see the law revised so that

full agreement. While civic-minded executives and their companies still write generous checks (last year corporate donations of \$100 and up totaled 40% of Community Chest contributions), many businessmen are not content to discharge their public responsibilities with cash alone. Instead, more and more executives are donating time and talent to civic projects, from the Red Cross to slum clearance.

Partly, the new attitude comes from the general change in 20th century business philosophy. Where companies were once concerned only with products and payrolls, today's businessman feels that he is a civic leader with a social responsibility to the market he serves. "Business has a golden opportunity to demonstrate that it can be responsive to more needs of society than its material requirements," says Frank Abrams, retired Standard Oil Co. (N. J.) chairman, who spends at least two days each week on civic projects. But partly, too, the new civic-mindedness is just good hard-

headed business sense. Chicago's Commonwealth Edison Co., for example, spent more than \$5,000,000 after World War II on promotion to bring some 1,000 new plants to the area, all of which helped Commonwealth as well.

Many U. S. companies have developed elaborate programs of civic aid. Chicago's Marshall Field department store has a special vice president in charge of civic affairs. In Philadelphia, N. W. Ayer Chairman Harry A. Batten organized the Greater Philadelphia Movement, which will open a \$100 million Food Distribution Center in 1958 and eliminate crowded, unsanitary markets in the heart of the city. Each year in Houston, Humble Oil & Refining Co. lends a full-time staff of 100 Humble employees to help organize the United Fund drive, while Boeing Airplane Co. President William Allen, who is 1956 national chairman of United Community Campaigns of America, will lend six of his bright young executives to the Seattle United Fund this year, pay their salaries while they spend three months organizing plant solicitation drives.

In companies with no formal program, the president often encourages his top men to do as much as they can on their own in civic affairs. Richard H. Rich, boss of Atlanta's big Rich's department store, keeps careful check on how active his supervisory workers are in civic af-

fairs. Says Rich: "The minute a man or woman becomes a supervisor, we urge him to get into civic work. We believe it is part of good leadership to be a good citizen." Such giants as IBM, Chrysler, Ford, General Motors, American Telephone & Telegraph, National Cash Register, all encourage employees to take on public tasks; at Du Pont so many executives are active that the company makes a point of cautioning them to "participate in, but not dominate" Delaware's civic projects.

As companies increase their civic work, the heaviest load inevitably falls on the president himself. Just as he has the know-how, energy and contacts to make his business succeed, so is he invaluable to civic projects. Republic Steel's President Thomas F. Patton, Detroit Edison's President Walker L. Ciesler, Chairman Laurence Whittemore of New England paper-maker Brown Co., give anywhere from 10% to 30% of their time to civic projects. In Los Angeles, Hardwareman-Banker Vic Carter was so busy that he either had to cut down his civic activities or his business. His choice: to sell his Builders Emporium, a popular, Sears-like operation for do-it-yourselfers, so he could devote more time to community affairs. In Denver President Joseph Ross of Denver's Daniels & Fisher department store currently leads or serves on some 33 Denver civic projects. And, says a friend, "Joe doesn't just talk; he works, he drives, he produces."

Many businessmen and civic leaders deplore the fact that too much of the work is still done by those who have always done it—for a willing worker is in high demand. They also point out that there are still too many "letterhead" businessmen who merely lend their names to a civic campaign without also lending their time. Recently, however, more young men are sharing the load. Both they and their companies realize that it will give them invaluable experience; they will meet the top men in their fields, learn to talk and think on their feet. When Pacific Telephone & Telegraph Vice President George M. Dean, whose special baby is Seattle's United Good Neighbor fund, first started tapping junior executives in 1952, he got just ten men; last year he got 48 men from 30 companies.

Eddie Cantor made his first stage appearance in 1910 in a Bowery Theater. Five dollars a week was his salary.

Democrats Are Accused Of "Wicked Nonsense," "Bunk"

By MARVIN L. ARROWSMITH
CLEVELAND (AP)—President Eisenhower accused the Democrats today of having tolerated "the theft of inflation" and of talking "wicked nonsense" and "political bunk" in the campaign.

Without ever mentioning his Democratic opponent Adlai E. Stevenson by name, Eisenhower fired back at Stevenson criticism in the strongest terms he has used so far in an address prepared for delivery in Cleveland's Public Square.

Eisenhower hit at Stevenson on the farm issue, the cost of living, labor and wages, and on several other points. He said that on the other hand his administration has adopted policies "that have created a tremendous confidence in America's future."

Eisenhower referred to the Democrats as "these men of fretting fear and worried doubt." Then, turning again to his own Republican administration, Eisenhower added:

"Public Service Trust"
"We have given to our nation the kind of government, that is a living witness to a basic virtue in a democracy—public morality, public service and public trust."

"In this administration you cannot find those ugly marks of the past, special favoritism, cronyism and laxity in administration."

Eisenhower traveled here by special 12-car campaign train on an overnight run from Washington. He arrived to go on by plane from Cleveland to Lexington, Ky., for a nationwide television-radio address tonight at a GOP rally at the University of Kentucky coliseum.

Eisenhower's bid for Ohio's 25 electoral votes and Kentucky's 10 came as his campaign pace quickened. The White House announced yesterday Eisenhower will make a 5,500-mile, 48-hour flying trip in mid-October to Minnesota, Washington and Oregon. All are key states in the GOP drive to re-elect Eisenhower and recapture control of Congress.

Stabilize Living Cost
In today's speech, Eisenhower swatted at Stevenson's statements last week that the cost of living is at an all-time high and that the President has done nothing about it. Without disputing the government index showing living costs at a record high point, Eisenhower directed his emphasis to saying "the cost of living has been remarkably stabilized—only about 2½ per cent increase in 3½ years." Then he added "during the previous (Democratic) admin-

istration the cost of living increase was 20 times as great."

"Today we have a stable dollar . . . we have balanced the federal budget, and have started making some payment on our huge national debt," he said.

Theft Of Inflation
"The men of the opposition know perfectly well that one of the main reasons they were thrown out of office four years ago was their tolerance of the theft of inflation. Just in the final seven years of their tenure of office this economic fever had cut the value of the dollar by almost one-third, damaging the livelihood of the aged, the pensioned, all salaried workers."

"The opposition did nothing effectively to stop this economic theft. And they know it."

Eisenhower added that on the other hand: "The record shows we — not they — have made the most successful fight to stop inflation's robbery of every paycheck," and he continued:

"The record shows this check upon inflation is most vital not for the few who are rich—but for the millions who depend upon salaries and pensions, those who are old, those who are sick, those who are needy."

REVENUE MEN, GOP CONCUR ON SALES TAX

By LEONARD A. UNGER
HARRISBURG (AP)—The State Revenue Department, long at odds with Republican estimates on the yield from the 3 per cent sales tax, is now concurring with the GOP's \$22 million dollar figure.

Andrew M. Bradley, budget secretary to Gov. Leader, disclosed today more than 66 million dollars has been collected since the levy went into effect last March 7.

And, he told a newsman, the department is predicting that sales tax collections will boom too the extent that more than 260 million dollars will come in the remaining eight months of the cur-

SAYS CAMPAIGN TACTICS DIFFER FROM 1952 RACE

By JAMES MARLOW
AP News Analyst
WASHINGTON (AP)—The first month of the presidential campaign is over and the candidates have a little over five weeks to go. How has it been so far?

To Collect Levy
Bradley said the forecast was predicated on the stamp plan for collecting the levy to go into effect before May 31.

The original Jan. 1 effective date is now postponed indefinitely because of a court suit filed Friday attacking the constitutionality of the tax plan.

If the stamp plan goes into effect, it will mean collection of an extra month's taxes since retailers will be in effect paying the tax even before taxable items are sold.

Bradley said he had reservations on the department's \$22 million dollar estimate. He declined to elaborate.

\$1,181,000 In April
The levy brought in \$1,181,000 in April, the first full month of collections after the tax went into effect March 7. By August, the figure had jumped to \$14,773,317 for the month.

Bradley said the Revenue Department estimates the average between now and next May 31, 1957, the end of the current biennium, will be about 29½ million dollars a month.

Many a man rode 20 miles to vote just a few years ago. Now it's only blocks to the polls. But the reward for voting is as big as ever: a voice in governing the greatest country in the world.

GET READY, by being registered. GET SET, by knowing what you're voting for. Then — GO VOTE!

Different from 1952. That's for sure. Four years ago the presidential race smoked with emotion. If there's fire in this campaign, it's still in the basement.

And the candidates—of the four only Democratic vice presidential candidate Estes Kefauver was not running in 1952—are making a different kind of campaign.

In 1952—with the country jittery and tired of the war in Korea, divided over Sen. McCarthy (R-Wis.), and stirred up over accusations and investigations in Washington — the Republicans made these their three main issues:

The war in Korea and foreign policy in general; corruption in government; and Communists-in-government.

Fighting Issues

Those issues were the kind which made old friends fight and neighbors argue in public. But the war is over now. McCarthy has faded. There have been no real scandals. Talk about Communists in government, long overplayed by

the Republicans, has died down. Now the Democrats—Adlai Stevenson and Kefauver—are banging away at the Republican foreign policy, critical of it for not finding a new way to deal with the new Russian tactics.

Mostly the Democrats have aimed at things closer at home and easier to understand. They've been talking about people's pocketbooks on bread-and-butter issues: Better prices for farmers, more concern for the small businessman, power development, more money for the aged, better schools, higher pay for teachers.

Dems On Defensive
In 1952 the Democrats, because they had been running the government, were on the defensive. This time the Republicans are in that spot. Naturally, while the Democrats try to make them look as bad as possible, the Republicans put their best foot forward.

The result is some exaggeration on both sides. It may get worse.

President Eisenhower, who campaigned furiously in 1952, apparently thought he could win this year without exerting himself much. He had planned a limited schedule of radio-TV speeches.

But Stevenson and Kefauver are beating the bushes hard. Reports indicate this race will be lighter than in 1952. Now Eisenhower has decided he'll make more speeches and travel more.

He started off talking about moral principles. But after hearing the Democrats call him a weak president and a poor leader he started getting a little tough himself.

Success against the Philadelphia Phillies helped the Pittsburgh Pirates during 1956. The Pirates beat their Keystone State rivals 15 times in 22 meetings.

New Sinclair Power Discovery Wins AAA Award

HERE'S WHY THIS NEW GASOLINE IS THE TALK OF THE AUTOMOTIVE INDUSTRY

Contest Board of the Amertron Automobile Association Washington, D. C.

CERTIFICATE OF PERFORMANCE

The undersigned Certify in the name of the Contest Board, American Automobile Association that SINCLAIR POWER-X WITH X-CHEMICAL HAS BEEN DEMONSTRATED BY A.A.A. TECHNICIANS AND OBSERVERS TO PROVIDE MORE POWER AND LOWER OPERATING COST BECAUSE IT:

1. REDUCED ENGINE OCTANE-DEMAND BUILD-UP BY AS MUCH AS 50%.
2. ELIMINATED PRE-IGNITION KNOCK AS A CAUSE OF POWER LOSS AND POSSIBLE ENGINE DAMAGE.
3. DRASTICALLY REDUCED SPARK PLUG FOULING.
4. ELIMINATED HARMFUL COMBUSTION DEPOSITS NORMALLY BUILT UP IN EVERYDAY DRIVING.

THESE RESULTS WERE OBTAINED BY A.A.A. IN A SERIES OF LABORATORY AND OVER-THE-ROAD TESTS USING STOCK AUTOMOBILES WITH LATEST DESIGN HIGH-COMPRESSION ENGINES. THESE TESTS WERE OF A DURATION EQUIVALENT TO ABOUT 4 YEARS OF TYPICAL DRIVING.

INVITATION TO BIDDERS
 The Adams County Commissioners, acting as the Executive and Administrative Officers of the Adams County Institution District, hereby invite sealed bids to furnish and deliver to the six thousand (6,000) gallon tank at the Adams County Home in rural lots of forty-five (45) acres, a distillate oil having a minimum flash point of 110° F. and a maximum of 190° F. Maximum water sediment 0.05 Carbon residue 0.25 on 10% residuum. Distillation temperature 190° point. 440° F. maximum to 600° F. Maximum at 90 per cent point. Deliveries to start about December 1, 1956, and to continue as needed throughout the period ending January 1, 1959. Place your bid on a per gallon basis as of October 31, 1956. The price per gallon for each trailer lot of such fuel to be adjusted as of the time of delivery of each trailer lot so as to maintain the same differential, if any, between it and the price per gallon on the Baltimore Spot Market as recorded in Platts Oilgram as of the time of the delivery of each trailer lot, as existed between your bid price per gallon and the October 31, 1956, price per gallon on the Baltimore Spot Market, as recorded in Platts Oilgram. All bids must be in the office of the County Commissioners, Court House, Gettysburg, not later than 1:00 p.m., October 31, 1956, when they will be publicly opened and contract awarded or all bids rejected. The successful bidder will have to post a bond with sufficient surety for fifteen hundred (\$1,500) dollars guaranteeing performance of his contract. The County Commissioners reserve the right to reject any or all bids. For further information, contact Clarence C. Smith, Chief Clerk to the County Commissioners, Court House, Gettysburg, Pennsylvania.

YWCA

(Continued from Page 1)
and the ministerium, meet at the YWCA for a monthly business meeting and planned activities at weekly meetings. Their purpose "is to advance the principles of Christian brotherhood." This is a co-educational group, newly formed, to fill a felt need in this community.

The Annie Danner Club and The Business and the Professional Women's Club are organized to provide programs of interest and value to the working women of the community. The Annie Danner's main purpose is to promote their friendship with each other and further their religious growth. Helping others is always a prime objective. Last year emphasis was placed on bringing cheer and material comfort to the guests of the County Home.

The Business and Professional

Women's Club, which is celebrating its 30th birthday this month "works for a united spirit of fellowship and creative endeavor."

To help each other to be more active in the moral and social issues of the day." This club, with its fine leadership, gives to this community valuable and efficient service.

Golden Age Group
The Golden Age Group, for men and women of 60 years and over, was started last year with about a dozen members and now totals more than fifty. It is to fill a need for older people to socialize with folk of their own age and interest. They meet the fourth Wednesday evening of each month with programs of colored slides and movies and a tour around the county at Christmas time.

The Public Affairs Committee

are most stimulating. The World Fellowship Committee plans special activities during World Fellowship Week in November. Each year the Y sponsors a bus trip to the National Cathedral in Washington, D. C., to attend the World Fellowship Service there. Daily fifteen-minute noonday prayer services are held at the Y during that week with a light lunch served to those who attend.

Had 229 Meetings
Last year there were an estimated 229 YWCA club meetings with 3,192 attending; 26 Y Committee meetings with 287 attending and 66 special events held at the YWCA with 1,556 attending.

The work of the Y in Gettysburg is made possible by the willingness and fine cooperation of many volunteers. They help by manning the office in the evening and at weekends; they assist with the Rotary Club dinners; carry on program and club activities, represent the Y in civic groups and many other ways. Last year about 800 volunteers were used to carry on the program of the Y.

The YWCA also serves as a community center for Gettysburg and Adams County. Many clubs held their regular meetings there last year such as Rotary, Woman's Club, Women's Civic Council, Sororities, Arts and Crafts Guild of Adams County, First District Sunday School Association, Civic Nursing Group, D. A. R., Gettysburg Council of Church Women, High School Alumnae Association and the Rural Letter Carriers Association.

There are a number of groups that hold special meetings there such as the County Extension Service Christmas Tea, Chi Omega Alumnae breakfast, A.A.U.W. annual covered dish supper, Community Chest kickoff dinner, annual Red Cross dinner, the Republican and Democratic Women's club committees, Executive Board of the Women's League of Gettysburg College, International Women's Club, Adams County Federation of Women's Clubs, Farm Bureau Insurance Company workshop and many others.

Need More Funds
Last year 96 outside club groups met at the YW with 3,783 in attendance. There were 78 outside committee meetings with 591 attending. There was a total of over 12,000 people that used the Y facilities in the year from October 1955.

The YWCA also provides a waiting room and lavatory facilities to the general public and to tourists. People who use the building as a waiting room average about twenty a day and about thirty use the lavatory at an annual cost to the Y of approximately \$85 a year.

The sources of income are annual dues of \$1.50 for the adults and fifty cents for juniors, part of which goes to support the National Y; the amount received annually from Community Chest funds; gifts from friends of the Y and the small rentals received for the use of rooms by outside club groups.

The YW operates on an annual budget of approximately \$6,500 which provides for operating costs of the building, staff of two, program and committee work. This leaves little for maintenance and repairs which are very much needed. The current project is to replace obsolete lavatory facilities with a modern, sanitary rest room as soon as funds are available.

August Traffic Deaths Increase

CHICAGO (AP)—The nation's traffic deaths increased in August for the 18th consecutive month and the National Safety Council says the toll for 1956 appears headed for a new record of between 41,000 and 42,000.

Accidents on highways killed 3,600 in August, the council reported today. That was a 2 per cent increase over the 3,530 killed in August last year.

The council said traffic deaths in the first eight months this year totaled 25,350 up 8 per cent than in the comparable period of 1955 when 23,460 persons died. The largest recorded toll for the first eight months of the year was 24,467 in 1937.

The all-time traffic toll was 39,959 in 1941. Last year's total was 38,300.
